FANTASY AIR BALLOON

Bed, Crib & Sofa

The Fantasy Air Balloon is a themed bed that invokes the romantic and whimsical ambiance of a hot air balloon ride! Kids will relate this bed to the Disney movie "Up", while parents will feel like being transported to the adventurous tale of Phileas Fogg. This kids bed helps to create a playful environment that triggers children's curiosity and creativity.

The bed can be customized to fit both boys and girls bedroom designs with a hot air balloon decor, and due to its unique design can be easily turned into a sofa. It also includes a sound system and color changing light in the top part, useful for fun and educational activities.

The top structure is fixated on the ceiling and it's made of wood coated with synthetic leather, the passenger basket includes several storage compartments made by handmade wickerwork. The ropes are made in fiber silk and the exclusivity of the details is guaranteed by the appliance of gold leaf.

The Fantasy Air Balloon has a RGB light and speakers and it can be controlled by a mobile app (or with remote control). That connects by bluetooth and you can choose the music you want to play in your smartphone. The app has also a sleep assistant and you can choose the color intensity of the light and lighting effects.

ILLUSION STOOL & CHAIR

Leopard & White Bear

The Illusion Series brings a touch of magic to the children's playroomdecor. This kids' furniture set includes a table, a stool and a chair, the perfect addition to every bedroom and playroom where kids can develop their skills and learn new things.

The beautiful illusion is created by the use of the translucent acrylic that gives the feeling of suspension on the air. Besides being a place where kids can play and study, the surface of the table also allows kids to draw with chalk and have way more fun. It also features a pencil cup where kids can store and organize their paint and study supplies.

For a more childish and playful touch, the chairs and stools have colorful synthetic fur inspired by wild animals - polar bear, leopard and wolf - that provides a unique connection to nature while providing extra comfort.

DIANA

Table Lamp

Diana is a vintage table lamp inspired by some of the greatest design classics of the mid-century era. It is a handmade lamp built with materials such as brass and aluminum.

Brass was used on the body, whilst aluminum was chosen for the shade. The aluminum shade is lacquered a glossy red on the outside and matte white on the inside, while for the body a nickel-plated finish was chosen.

However, both these colors and finishes can be customized according to your needs. This small lamp is easily the perfect reading light, having a movable and adjustable shade, that casts light to where it is needed. It best fits more minimalist or industrial environments. The perfect study table lamp.
