

## HIGH DOT™ SIMPLE SEATING

The High Dot™ is now available with chrome base and a luxurious leather seat

Customers asked for the Dot™ in a higher version with warm leather and chrome, and we developed this classic High Dot™ perfect for bar seating and high dining tables.

### MATERIALS

The new High Dot™ is 65 cm/25.6" high and features a three-legged chrome base and Walnut coloured Wild leather.

Note that the leather may gain a natural patina over time.

### DESIGN

Arne Jacobsen, 1955
