| <b>PX/92</b>  | 92  | 49  | 40 | 21                 | 43                 | 0,39                   |
| <b>PX/122</b> | 122 | 67  | 35 | 38                 | 57                 | 0,51                   |

Lievi tracce ed avvallamenti superficiali, irregolarità perimetrali e piccole bolle d'aria interne alla lastra in vetro sono segni distintivi del processo di fusione ad alta temperatura che ne garantiscono l'artigianalità. Non possono quindi essere oggetto di contestazione.

Slight traces on the surface, perimeter irregularities and small air bubbles in the glass plate are distinctive signs of the high-temperature fusion process that guarantee its craftsmanship. They cannot therefore be contested.
