

MADONNA SOFA

by Rune Krøjgaard & Knut Bendik Humlevik

Designed for pure comfort the Madonna Sofa is a modular sofa built with a strong core of plywood and high quality cold cure foam. With a deep seat and a low lounge feel frame the Madonna Sofa encourages relaxation. The design has a clean look, making it easy to compose and decorate with pillows and blankets. The 8 different modules provide numerous possibilities to create the ideal sofa for each individual space, from a regular two-seater to larger L-shapes and chaise lounge options.
