MAKING WAVES

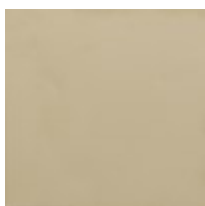

cla-416-404

COLLECTION: Caracole Classic

DIMENSIONS: 42 dia x 17H

Take a seat around this contemporized retro-glam cocktail table. An undulating pattern, created by strips of warm Whisper of Gold metal, produces a circular, see-through base for a 42-inch round glass tabletop. Peer through the top to the bottom and witness the color of the ocean floating on glass at the base. Perfect for a breezeway, open air living room or penthouse, this beauty is ready to make some waves.
