COLLECTION: Caracole Classic

DIMENSIONS: 70W x 25D x 30H

When there is serious work to be done, this 70 inch desk is made for business. A single slab of Koto wood is finished in Champagne Shimmer for one-of-a-kind style. The top looks like it is literally floating on a geometric base and dramatically curved sabre legs – all in brilliant Whisper of Gold. Offsetting the hard surfaces of the piece are side insets and three drawers finished in neutral faux shagreen. Drawer interiors shimmer in Taupe Paint. Open the center drawer to find a pencil holder and easy storage of slim materials. Each side drawer offers an additional work surface with hidden storage underneath. Each drawer is outfitted with custom metal and Mother of Pearl hardware. Sitting down to work was never this beautiful.
