## IT'S THE BOMB-BAY

tra-closto-036

**COLLECTION:** Caracole Classic

**DIMENSIONS:** 36W x 18.5D x 32.25H

We love the classics at Caracole. The bombay chest, for example - easily recognized by its curvaceous, bowed front - is one that has endured the test of time. We dressed up our version in a soft French blue metallic paint, called Dawn. Our drawer hardware is oversized, custom designed to resemble the shape of the chest, and features white Mother of Pearl surrounded by soft gold metal. Drawer interiors reflect another one of our signature details. Look for the demure,

silk screened border, along with the chest's playful name, It's The Bomb-bay, beautifully inscribed inside the top drawer.
