Novelties

I nuovi prodotti di Ulivi Salotti si inseriscono nella produzione più recente dell'Azienda mantenendosi in piena continuità con la collezione Vanity.

Tutte le novità sono ispirate dal medesimo filo conduttore che ispira l'intera produzione aziendale , ma al tempo stesso mirano allo sviluppo di sempre nuove interpretazioni dello stile contemporaneo.

Con questo spirito sono stati creati prodotti che mantengono immutata nel tempo la propria destinazione e che vanno oltre le mode passeggere , con una vocazione ideale sia per l'uso domestico che per l' hospitality , funzionali per ogni situazione e destinazione.

The new products by Ulivi Salotti keep the spirit of the recent production, remaining in full continuity with the Vanity collection.

These products are inspired by the same common thread that inspires all company production, but at the same time develop a new interpretation of contemporary style.

Thanks to this inspiration, the new products have been created to maintain their destination unchanged over time, going beyond the changing fashions, having an ideal vocation for both private residential and hospitality use, functional for every situation and destination.
